Tss4U solidifies position in the vibrant Middle East Market. Abu Dhabi based Joint Venture kicks off.

In recognition of the need to be close to our customers in The Middle East and the vibrant business in the region , Tss4U , Netherlands , has joined up forces with its Abu Dhabi local agent ,Petro Middle East (www.pme.ae),and established a Joint Venture company based in Abu Dhabi to serve the entire Middle East region. The JV, called "Tss4U Middle East" (www.tss4ume.ae), has already started operation with its head office and work shop in Mussafah industrial area.

By being close to our Middle East customers, we will:

- Provide more effective support to our growing installed base in the region.
- Provide our customers with immediate response to queries and technical support.
- Offer Long Term Maintenance Support Contracts and System Health Checks.
- Conduct Factory Acceptance Testing close to our customers.
- Ensure close cooperation with the local industry.

The JV will partner with local suppliers and sub contractors to ensure strong local presence to carry out system design, engineering and project execution and delivery closer to our customers in the region.
